Kanwardeep,

As you are aware, we represent the Blue Cross and Blue Shield Association and are writing to follow up on the below correspondence regarding your registration of the BLUECROSSNY.COM domain name, which incorporates our client's famous BLUE CROSS trademark. Despite your prior willingness to work with us to resolve the matter, we have not received any further correspondence from you since our email of October 3, 2006 requesting that you transfer the BLUECROSSNY.COM domain name to our client. We now note that this domain name has been transferred to a new registrant (Affordable Computer) instead. If this domain name is still in your control, please confirm that you will transfer it to the Association using the contact information provided below as soon as possible. If not, we would appreciate if you could provide whatever information you may have as to the current owner of this domain name and how the domain name might have come to be in their control.

It also appears that you own at least three other domain names incorporating the Association's marks, namely BLUECROSSINTEXAS.COM, BLUECROSSBLUESHIELD OF SC.COM, and BCBSILLINOIS.COM. The first domain name lists you as the Registrant and G Design as the administrative and technical contact. The second domain name lists both your name and Digi Real Estate Foundation in the Whois records as the registrant. The third lists the registrant as "K J" or "JK" which we note corresponds to your email address "KJ-Expired Traffic." It also states that the registration service for this domain name is provided by Digi Real Estate Foundation. Moreover, we note that the Whois records for both BCBSILLINOIS.COM and BLUECROSSNY.COM give a Brampton Ontario address. Please confirm your registration and control of these two domain names and let us know whether we can expect you to transfer these to our client as well.

Please also let us know what your relationship is with G Design and Digi Real Estate Foundation. As you may be aware, we recently filed a UDRP complaint against Digi regarding its registration of 84 domain names. If these domain names are, as we now surmise, in your control, please let us know whether you are willing to work with us to effectuate their transfer to the Association.

Finally, in addition to the BLUECROSSINTEXAS.COM domain name listed above, it appears that seven domain names formerly registered in your name are now registered to G Design. These domain names are:

BLUECROSSMI.COM
BLUECROSSBLUESHIELD OF NC.COM
WWWBLUECROSSMN.COM

BLUECROSSFL.COM
BLUECROSSMO.COM
BLUECROSSTX.COM
BLUECROSSSC.COM

Please let us know if you control these domain names as well, and if so whether you are willing to cooperate with the Association to transfer these domain names.

Thank you.
